Dear Mr Phil Roberts

RE: Pakistan Earthquake Relief Effort

The Pakistan-American Friendship Association (PAFA) would like to extend a very sincere thanks to you personally for your wonderful support in the drive to help ease the extreme suffering of the earthquake stricken people of Pakistan.

It is with intense sadness that we report the deaths of nearly 90,000 people of which a staggering 19,000 children were killed. Sadly, these numbers continue to rise. UNICEF reports the displacement of 3.3 million people, of which 1.6 to 2.2 million are children.

PAFA would like to you to know that the first container of donated winter clothes and blankets left Indianapolis on October 27, 2005 and a second container left on November 2, 2005. Your help and generosity made this possible! PAFA is very sincerely grateful for your support during this moment of intense need.

If you would like to learn more about our earthquake relief effort please provide us with an email address for updates. Alternatively, you could send us an email at AKHAN@Calderontextiles.com
Once again, **thank you so much** for your support.

Sincerely,

Azher Khan
Pakistan-American Friendship Assoc
