New Business

Storm Watchers: were never given a garage door opener to be able to get into their room.

Koren: There are too many keys out there for the Town Hall. Haley's Lock and Key are coming November 19, to see what it will take to replace the locks on the Town Hall and the Community Director & Planning. Haley's will also be changing the safe combination.

We needed to amend the payroll dates to meet the Indiana State Board of Accounts guidelines. It worked well to change those dates in October. The pay period on the old scale would have ended October 15, we ended it October 12. Pay was received October 19. Employees only had 4 days extension. Nothing changed with the remainder of payroll or health insurance. In either situation there were 6 pays left for 2018.

The Council needs to have a new ordinance changing payroll from the 15th and 30th of the month to every two weeks.

Salary Ordinance

Language for Community Development Director salary/wages.
