

TOWN OF THORNTOWN
TOWN COUNCIL SPECIAL MEETING
DECEMBER 29, 2018

The Special Meeting of the Town Council was called to order at 9:00am, December 29, 2018, at the Town Hall.

All four board members and the interim clerk-treasurer Koren Gray were present with several members of the community

Mr. Johnson advised Pat McPeak has withdrawn his name from the possibility of appointment to replace John Shives' seat on the Council. As per December 17, Carol Keith is interested in the seat, Eric Smith, a previous Council member, is interested in fulfilling the term, and Ben Strong and Kevin both spoke from the floor advising they were also interested in the vacancy. Since there are four interested citizens it is only fair that they have an opportunity to speak at a publicized meeting. The process will be continued to January 3, 2019. Each person will be allowed to speak and share their thoughts regarding why they should be appointed to the vacancy.

At 9:15 am Mr. Garing made a motion to adjourn. Second by Mr. Burtner. Motion passed 4-0.

President

Attest: Clerk-Treasurer
