YETI board of directors visits the Nepalese orphanage.

Each year, the YETI Charity Golf Outing raises money for the orphans of Nepal. YETI has been able to build an orphanage in Nepal for 30 children. The government of Nepal is working in conjunction with YETI, and has constructed a school next to the orphanage. Your continued support of YETI provides the orphanage with annual operating expenses.

In addition to the orphanage, YETI supports local children's charities. A portion of the YETI budget is earmarked to help underprivileged youth in Indiana. A minimum of 10-15% of funds raised is used to help underprivileged youth in Indiana.
