

2010 Zionsville Little League Showcase Baseball Program

Registration for ZLL Showcase baseball runs January 18 through February 12.

Showcase baseball is available for baseball players in Zionsville Little League, ages 7-12. There are Showcase baseball teams for each age level. Registration fee is \$100 to cover expense for uniforms (jersey/pants/hat/belt/socks), insurance, baseballs and umpires.

The following highlights about Showcase baseball should aid in determining your interest, availability and commitment.

ZLL Showcase Baseball is.....

- *an excellent development experience for the player with high level of baseball interest and more advanced skills, along with parents committed to support this interest*
- *run concurrent with recreation season and will not conflict with recreational season practices or games*
- *a season of games played against teams from other communities throughout central Indiana*
- *requires additional practice dates to learn advanced game situation skills*
- *typically scheduled to play games on Sunday afternoons and evenings from April thru June, or on weekends when the ZLL recreation teams are not scheduled to play*
- *self-funding, thus requires an additional fee above league registration*
- *advanced learning and instruction oriented in a competitive play environment*

ZLL Showcase Baseball is NOT.....

- *a guarantee to play on post-season all-star teams, as all-star teams are selected based on player performance and attitude during recreation season play, along with tournament availability*

Presently, teams are formed and evaluations are scheduled to fill team rosters. Evaluations for 7-12 year olds will be Friday, February 12 @ 7 PM @ Zionsville West.

Register by filling out the form on page 2 and sending it plus a check for \$100 to
