An alumni of Zionsville Community High School ('98), Metzler was an assistant coach under Daryl Osborne from 2004-2007. During that time the Eagles won the 2006 and 2007 Sectional Championships, as well as a 2006 Regional Championship.

Facilities

All camps will be held at the Zionsville High School Varsity Gym and surrounding facilities. Campers will be utilizing the batting cages and equipment that the Zionsville athletes use. This will give the camper a total Zionsville High School athletic experience. Campers should bring all of their equipment, including a glove and bat and should wear comfortable workout attire. Please do not wear cleats. This is an indoor facility.

General Camp Information

Our camp staff will include the 2010 Zionsville High School baseball team. There will be low camper to instructor ratio to insure quality instruction. All fundamentals taught will be the same that are taught to the players at Zionsville Community High School. All campers will be placed into age groups in order to insure the most improvement, challenge and fun during the camp experience.
